We all need a hero, especially when times are rough.

We at Utah Youth Village strive to be heroes to Utah’s abused and neglected children.

We strive to be heroes to parents who are struggling with their children.

We strive to earn your trust and respect because,

You are our hero.

This report is for you, our donors. Let’s not call it a report, let’s call it a high-five to heroes.

Thanks to you…

...385 families learned new ways to love and support each other through Families First. And, rural families weren’t left out. We added service to San Pete and Sevier counties. Now Families First is helping families in Salt Lake, Utah, Davis, Box Elder, Cache, Uintah, Weber, Carbon, Emery, Wasatch, Tooele, Summit and Iron counties.

...Alpine Academy received its seventh Best of State award, and construction was begun on a second campus.

...Smarter Parenting the Village’s website for parents, helped foster parents in Uganda who are caring for young girls rescued by Operation Underground Railroad from sexual slavery.

...Children and youth in our Family Homes and Treatment Foster Homes changed and grew in maturity and skill. In Treatment Foster Care, 2 were adopted, 21 went home, 9 went to a relative’s home, 7 transitioned into independent living and 4 went to a lower level foster placement.
